Dear Mr. Casey,

We would like to cordially invite you to be an Honored Guest at our special reception on Thursday, September 13, 1984 from 6 to 8 p.m. at the home of Mr. and Mrs. Sam Dawson [redacted]

The reception will bring together many of The Foundation's young political leaders and many of our advisors and benefactors in building support for our Central America Awareness Program.

Your participation will highlight the importance of the The Jefferson Educational Foundation's mission. As you know, our main thrust is to recruit and train young political leaders and to arm these leaders with the abilities needed to ensure the continued existence of a free democracy.

The young leaders who will be at the reception will be excited to meet you on a casual basis as so many of us have been admirers of you and your work for the conservative movement. Please try to let us know as soon as possible if you will be able to join us. I am enclosing a response memo and envelope for your convenience. We very much look forward to seeing you.

I remain,

Sincerely,

David H. Barron
Chairman
